Eugenia,

I am available the last week in November, except on Monday, Nov 26, I have a meeting that could be rescheduled if necessary. I don't have anything in December as of now. I will be off between Nov 14-19. Of course the week of Thanksgiving would probably not be a good idea.

Mark

Subject: your availability to come to Mahwah, NJ for a Lower Passaic meeting

Hi Mark,

We are trying to setup a meeting to review the Lower Passaic Conceptual Site Model and modify the approach for the Empirical Mass Balance Model, we think your presence/input will be very valuable. What's your availability for a full day meeting at HydroQual's offices in northern NJ (sorry, not the most exciting place on Earth) during the month of November and first half of December?

Thanks,
eugenia
